Mobberley Parish Council Update

Mobberley Parish Council meetings and Council Committee meetings take place at the Rajar Building. All the meeting agendas can be found on two Notice Boards (one outside the Rajar Building and the other in Knolls Green) and on the council's website, www.mobberleyparishcouncil.co.uk

Full Council meetings are held on the first Monday of the month, except August, at 7pm.

The December meeting will be held on Monday 4 December.

**Committee meetings in December are:
11th, 7pm, Planning Committee.**

The meetings are open to the public and Mobberley Parish Council welcome the interaction with its residents. If you wish to raise a question please notify the Clerk 3 clear days prior to the meeting.

Rajar Building Public Access Vehicle Charge Points

The Parish Council are considering the installation of a number of EV (Electric Vehicle) charging points at the Rajar Building on Town Lane.

This can be a quick pit stop using a rapid charger, where the driver is only stopped for 20-30 minutes and needs access to the local businesses.

We would also like to encourage and help parishioners and the community to cut their carbon footprint by switching their petrol or diesel cars to electric. As such, these charging points would especially useful for those who live in properties that do not have a private driveway.

We would appreciate your feedback on this proposal and whether you or your friends would make use of such a facility.

Please email Kate at clerk@mobberleyparishcouncil.co.uk with your views.

Rose Queen

The 2024 Rose Queen Day is 15 June.

The Rose Queen Choosing is to be held in The Mallory Room above The Church Inn at 6pm on Thursday 15 February.

The Committee have just appointed a 'socials' lead who will be putting out details of the character selection over the coming weeks.

Mobberley Parish Council Update

We want to wish you all a very Merry Christmas and a Happy New Year when the time comes. The village is looking very Christmassy and its lovely to see the community come together.

We have had a busy year and will be looking forward to kicking back and enjoying the festive break when it arrives! Please all enjoy the time with your families, and we hope Santa makes dreams come true.

A big special thank you to Owen House Wedding Barn who have donated this years Christmas tree to the village.

We have our Senior Citizens Christmas lunch on Thursday 21st December at 12.30pm. This is at the Rajar Building and is £10pp. Please give the clerk a call using the details on the back page of the booklet to book your ticket.

We had a very successful 'Ladies Night' in October and managed to raise a massive £1500 for Prevent Breast Cancer charity.

Friends of Mobberley Station

A small group of volunteers have been working hard this year cleaning and tidying the two platforms at Mobberley Station. Flower beds and planters had become overgrown due to the COVID-19 restrictions, and a lot of clearing of weeds and debris was needed when we returned to it at the beginning of 2023. The shelters have been cleaned and painted by our Parish Ranger, who has also repaired some of the benches. The bulk of the hard work has been done, with new planted flower barrels along both platforms and planting along the edges.

We really need your help to keep the station looking its best. Please join our small team who meet on a regular basis for an hour once a month, to keep on top of it, and ensure it stays looking fabulous and creates a good impression for all local residents, passing rail travellers and station visitors.

Some months we meet at 11am on a Thursday morning, other months it's at 11am on a Saturday, depending who is available when. Like most things, the more people who are involved the quicker it gets done.

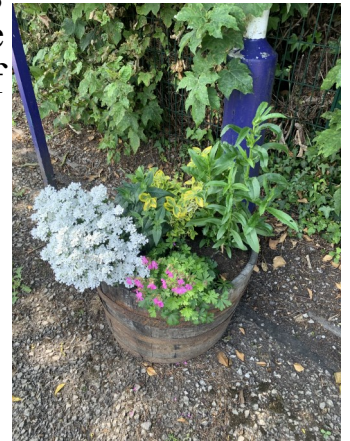

Please email me (address below) if you think you can help out, and don't worry if you don't know a lot about gardening. We can help you with what needs doing and provide some tools if you don't have your own.

I look forward to hearing from you and seeing you on the platform soon.

Thanks

Cllr Jackie Jones

Road Safety

The Parish Council have been made aware of a number of incidents on unlit lanes where pedestrians have been out at night / early in the morning, dressed in dark clothing, and vehicles have been unaware of their presence.

Please make sure that if you are out walking when it is dark, you are visible to traffic, by wearing bright or reflective clothing and carrying a torch. Always try to walk towards oncoming traffic on roads without pavements.

Winter Surgeries

Saturday 20th January – 11am – Mobberley Ice Cream at Dairy Farm

Firstly, I want to wish everyone a very Merry Christmas and a Happy New Year when the festive season arrives. I hope you get to spend some quality time with your family and friends.

I have had it confirmed that the work below will be carried out in Q1 (Jan-Mar) 2024 at Mobberley Primary School:

1. School children safety lights with 20mph flashing lights
2. Dragon's teeth road markings when approaching the 30mph zone near the school
3. Chevron improvements to the bends near the school.

I am waiting for confirmation that we will also have yellow zig-zag marking School Keep Clear. I won't know this part until end of November earliest.

It was my honour to lay wreaths throughout the Ward on Remembrance Sunday including the service at Mobberley Church.

Report an issue, concern or simply raise a query by contacting me through one of the below methods:

Photo Album over 100 years old

An album put together by one of the Milner family who lived at Ash Villa (now known as Dacre House) on the corner of Faulkner's Lane and Hall Lane appeared on eBay recently. The photographs span the period from just before the First World War through to the early 1920s. Many are of Owen Milner in uniform at home and in France, where he served in the war. Unsurprisingly, many are of poor quality, but there are still some which show a little of life and Mobberley at that time. There's one of a cricket match underway with the old pavilion in view, a few around the house and its garden, the family and friends out for walks in the neighbourhood and the old infant school on Hall Lane which is still recognisable.

It's been a fantastic half term at Mobberley Primary School so far!

Year 3 have had a wonderful time on their trip to Tatton Park, where they went back in time to the Stone Age for the day! They learnt how to light fires, cook outdoors, build walls using wattle and daub and even how to forage.

Year 1 have been making jam sandwiches as part of their English lessons about instructions. They have been on an Autumn walk in Science, spotting leaves, conkers and acorns.

Each class has begun practising for their Nativity performances and are all very excited about performing in December.

Year 2 have been following instructions to make 'Smores' biscuits, they really enjoyed eating them too!

Reception class had a dentist talk with Mrs Campbell and Mrs Hill and found out about teeth and how to take care of them.

Some children in Years One and Two attended a dance event at Knutsford Academy. They were supported by Sports Leaders from the Academy and learnt a dance to 'The Bare Necessities'. Well done to all children involved!

Year 6 Young Leaders have been supporting the Poppy Appeal in honour of Remembrance Day. Alongside Mrs Eadie, our school choir did a wonderful job signing at the Church Remembrance Day Service.

We had a special visit from the Blue Cross, who taught the children about Animal Welfare Needs and how to look after their pets.

Our Smile Day project is finally complete with a stone smile plaque to be displayed in school!

Book Club

The book club welcomes new members to meet and have a chat over a book and a drink.

It is held at the Victory Hall Memorial Club on the last Thursday of every month at 7.30 pm.

Many of you will have seen the Sailors' Hornpipe danced at the Rose Queen Festival over the years. but what you may not realise is that it is danced in a version believed to be unique to our village.

Joy Parkes is working with Instep to research and preserve this unique tradition, and they visited recently to put this in motion. Here is what Simon Harmer, himself a teacher of hornpipes, had to say:

"Instep is a charity that seeks to promote the study of and interest in clog and step dancing. When Instep found out about the Sailors Hornpipe danced in Mobberley, we were keen to support Joy Parkes in her project to record this wonderful example of combined dance and social history. We decided to start by filming Joy dancing the individual steps, some of which appear unique to Mobberley. We were delighted that her granddaughter Emily was able to join us and demonstrate her Sailors Hornpipe routine wearing a costume Joy's mother had made in 1959"

Joy would love to hear from anyone with memories of being taught or having danced the hornpipe over the years. Please email her at j.parkes@chester.ac.uk."
