2023 Parish Council Review

The Parish Council has been hard at work in 2023. Listed below are some of the highlights of the work that has taken place for the residents of Mobberley.

A Community Resilience Plan has been completed and circulated to the relevant authorities.

Progress has been made on the Mobberley Neighbourhood Plan. The aim is to have this completed in 2024.

Refurbishment of the main hall at the Rajar Building has led to an increase in its use.

More than 45 planning applications have been reviewed, with comments sent to Cheshire East Council.

Grants were made to various local organisations to enable them to continue with their activities.

The Mobberley Station Volunteer Group made huge progress with the upkeep of and gardening at the village station.

Ten newsletters were distributed to all properties in the village over the course of the year.

The Parish Council commissioned a beautiful memorial sculpture to Queen Elizabeth II. This was funded by local residents and businesses.

The Parish Council has been working in conjunction with Manchester Airport to help improve the bus service connectivity between Mobberley and the Airport.

Wildflowers were planted at the junction of Town Lane and Broadoak Lane.

Regular litter picking has taken place in the area and on the Community Meadow.

The Village Events team organised celebrations for the King's Coronation, held the first Mobberley Festival, and weekly bingo sessions and lunches for the senior citizens in the village.

A fundraising event for Prevent Breast Cancer was organised, with £1,500 being raised for the charity.

What next? The Parish Council has just published its Action Plan for 2024 and would appreciate residents taking the time to read it and provide feedback. The Plan can be viewed at <https://www.mobberleyparishcouncil.co.uk/policies>

If you don't have internet access, a paper copy of the Action Plan is available in the reception at the Rajar Building for viewing there.

Councillor Hannah Moss Update

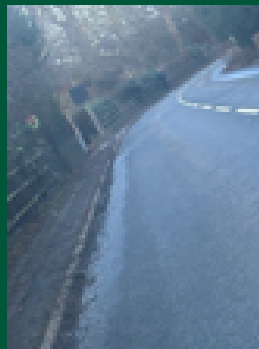

Winter Surgeries

Saturday 2 March – 10am – Rajar Building, Mobberley

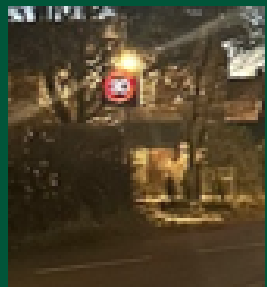

Happy New Year to all residents.

This time of year brings a whole host of highways issues. Wet weather combined with sub-zero temperatures leads to severe road deterioration. I have been working closely with Chair of Highways Cllr Craig Browne to get the best results as quickly as possible for the village and the ward.

I have been busy around the village photographing potholes and submitting requests for them to be repaired. The repairs can be quite unsightly and basic, but these are temporary repairs. More permanent repairs will be completed once the winter weather lifts. I have also been putting in requests to have our roads and pavements swept to help reduce slippery pavements for walkers, including those walking to school.

I am pleased to confirm the speed indicators in the village have been replaced, and we now have flashing 30mph signs when entering and leaving the village.

Speed watch in the village will also soon be back up and running now we have been given the go-ahead by Cheshire Police to resume these activities.

Annual Pet Service

This very popular service now takes place on the 2nd Sunday of February and we have great pleasure in welcoming all things hairy, scaly, smelly... and their pets as well! At this service we give thanks for the animals with which we share our lives, we commit ourselves to their care, and we bring them before God to receive his blessing.

Although this service is for all pets, we do normally have a large number of dogs present so please be aware of this when bringing pets of a more nervous disposition.

Family Pet Service

Sunday 11th February 10.00 a.m.

Lent

Ash Wednesday, the first day of Lent, falls on **Wednesday 14th February**. Every weekday there is a service of Morning Prayer at The Beacon at 9.00 a.m. and every Wednesday evening (from the 21st February) a service of Compline in church at 7.00 p.m.

Ash Wednesday itself will be marked by a service of Holy Communion incorporating the rite of ashing at 7.30 p.m. Do come and join us, everybody welcome.

Messy Church

Our Messy Church takes place on the 2nd Saturday of each month at 10.00 a.m. at The Rajar, combining arts and crafts, songs and worship. Our February meeting will take place on the 10th with the very relevant theme of 'Learning to Live Together'.

Graveyard Maintenance

Over Christmas lots of people have left wreathes and other displays in the graveyard and I want to take this opportunity to ask you to remove them please. The new graveyard is a lawn cemetery and for reasons of maintenance there should be nothing standing on the grass so please remove all pots, planters and vases. Where possible these can be placed on the headstone plinth but please note there should be no ceramics or glass.

More about our various services and events can be found on our website
www.mobberleychurch.co.uk

MOBBERLEY METHODIST CHURCH

FAULKNERS LANE – WA16 7AL

Minister: Rev. Nick Thompson: 01625 253313

It is hard to believe that shortly we will be starting Lent. It doesn't seem but five minutes since taking down the Christmas decorations and wishing everyone a Happy New Year. Still, it is good to think that Spring, maybe, might be just around the corner.

Someone once told me that instead of giving up things for Lent, it might be better to take up something new, like giving up negative thoughts and replacing them with positive ones. Easier said than done? But with a little help, possible.

Café Church on the 2nd and 4th Sunday of the month unless otherwise stated.

SERVICES FOR FEBRUARY

4th February – **10.00am** - Mr. Tony Judd – *Communications Sunday*

Please do support both these opportunities. We so desire peace in our world, and it is good to meet together to pray for all those places and people who need as much support as possible.

December was a very busy time at our school. Each class had a Nativity performance and made us extremely proud with their acting and beautiful singing.

Our Christmas fair was a great success! Thank you to the PTA for organising such a fun event. The children were delighted to see Santa making an appearance and the choir sang wonderfully.

Mobberley School Choir have made us very proud with all their performances recently. They sang at the Rajar Building for the Mobberley Christmas lights switch on, at the Candlelight Carol Service at the Methodist Church and performed beautifully for the residents at Cranford Grange Care Home, which was gratefully received.

The Year 3 and 4 children have been making butterflies and gratitude spirals using books in afterschool Art Club.

We all went on a whole school trip to Altrincham Ice Rink to watch The Wizard of Oz on ice. The children thoroughly enjoyed watching the performance and were impressed by the incredible ice-skaters.

The school year started with a fabulous Epiphany service led by Father Ian in St Wilfrid's Church.

Year 2 are excited to have started their forest school sessions, where they will learn to make fires, use outdoor tools, create natural art and build shelters.

Year 4 are looking forward to starting their swimming lessons and learning vital water safety skills. Year 4 have also been practising their times tables through active maths. The girls' football team achieved a bronze medal at the Macclesfield and Poynton District tournament, narrowly missing out on silver. A big congratulations to them!

Message from Cheshire East regarding its Budget Consultation Survey 2024

We know that costs and demand for council services will significantly exceed the levels of income we had planned for in the Council's Medium-Term Financial Strategy (MTFS) 2023–27, agreed in February 2023. Many of the pressures we have seen through 2023/24 still apply and are set to escalate further.

These include the impacts of high inflation and high interest rates on loan payments seen throughout the year, the high level of demand for council services, and increasing costs and complexity of needs for those children and older people who most need the Council's help.

There is also financial uncertainty following the Government's announcement, in October, of the cancellation of HS2 north of Birmingham, and the potential impacts on Crewe, Cheshire East and the wider region. This is on top of a reduction in government funding for day-to-day services – the funding for Cheshire East Council has been cut by 63% in real terms since 2010.

The budget consultation survey is for residents and other stakeholders to provide feedback on a range of budget proposals, which will be considered by councillors as part of the decision-making process to set a balanced budget for the Council in 2024/25.

Following publication of the draft financial strategy and budget consultation, the Council's service committees will consider the budget proposals at public meetings in January and February.

The decision to approve and adopt the budget will be taken at a full council meeting on 27 February.

The consultation is open until 23:59 on 28 January 2024. After this date, members of the public and other stakeholders can still contact their local ward members about the proposals ahead of the full Council decision on 27 February 2024.

The survey can be accessed at

https://surveys.cheshireeast.gov.uk/s/Budget_Consultation_2024_2025/
