11 March 7pm, Village Events Committee.

18 March 7pm, Planning Committee.

25 March 7pm, Village Amenities Committee.

Mobberley Rose Queen 2024 Announced!

There wasn't a dry eye in the house, as every one of the seven Rose Queen candidates delivered their speeches to a packed private dining room at the Church Inn. Each of the girls – aged between 10 and 12 – spoke eloquently to the panel of four judges, summarising their past contributions to the village community, achievements, values and commitments to the role, if selected. All those present shared compere and Rose Queen Chair, Martin Sayell's sentiment when he shared that every one of them would be worthy of representing our village. After lengthy debate amongst the judges, carefully selected to ensure an impartial and fair process. We were joined by current Rose Queen, Beth Ralston and our Parish Councillor, Hannah Moss, to celebrate our next Rose Queen, Rosalie Tarne - congratulations Rosalie! Rosalie is very excited about being crowned and already talking about ways she can help with village life in her new role. She will be joined by Ladies in Waiting, Daisy Buckley and Martha McCloskey.

We look forward to crowning Rosalie at our annual Mobberley Rose Queen Festival on Saturday 15th June 2024. Dancing rehearsals are now underway (but it is not too late to join us on Mondays at 5.30- 6.30 at Victory Hall, with dance teacher Merideth). Character and Float selection will be coming soon; look out for details via social media and all the local schools. We will have an honorary float this year to mark the Centenary of the historic Everest Climb undertaken by George Mallory and Andrew Irvine in June 1924. Any questions, suggestions or information on how to get involved, please email mobberleyrosequeen@hotmail.com

Affinity Lottery

Affinity Lottery has been setup to enable charities and local councils to tap into the power of fundraising through a local lottery. The Parish Council would like to hear your views whether you would be interested in a Mobberley Lottery.

The lottery would be a way for the Parish Council to fundraise for specific projects in the community, while giving residents the chance to win £25,000.

The lottery would cost £1 per play with a weekly draw that is pooled with all the other organisations involved. 50p of every £1 played by a resident that has signed up through the Parish Council webpage would go towards projects in Mobberley.

There are costs involved in setting this up so we would like to gauge whether Mobberley has enough players to justify the setup costs.

Please could you contact clerk@mobberleyparishcouncil.co.uk to let us know whether this is of interest.

Digital Newsletter Proposal

The cost to produce a printed version of the Mobberley newsletter has increased significantly over the past few years. The Parish Council are considering various options going forward and would like to receive residents' views on this. Please could you email your feedback to clerk@mobberleyparishcouncil.co.uk so that we can make plans for future years.

Do you value a printed newsletter?

Would you sign up to a digital version of the newsletter instead of a printed copy?

For those unable to access a digital version, would you pick a free copy up at a local pick-up point?

Councillor Hannah Moss Update

Surgeries

Saturday 2 March – 10am – Rajar Building, Mobberley

It was an honour to present our newly elected Rose Queen for 2024, Rosalie Tarne, the award for being chosen to represent our community for the next 12 months. After being the ‘bridesmaid’ for two years, it was lovely to see Rosalie finally become the bride! Well done, Rosalie. I can’t wait to work with you at local events.

It was also lovely to hear what the children thought was needed in the village. I’ll take the ideas I heard away and see what I can do.

The streetlight and bollards at the entrance to Broad Oak Lane have been replaced after they were hit and damaged by a car.

The war on potholes continues, sadly. The roads are in a sorry state at the moment and pothole repairs are not lasting due to the constant bad weather. I urge all residents to continue logging potholes and highway issues on Fix My Street. The more we complain the quicker it gets fixed.

There has been some general road sweeping and cleaning throughout the village, and I will continue to push for more.

Report an issue, concern or simply raise a query by contacting me through one of the below methods:

Friends of Mobberley Station

The Friends of Mobberley Station are a small group of local residents who volunteer to keep the platforms at the station looking colourful, clean and tidy. We worked hard during 2023 to get rid of all the overgrown weeds and ivy that had taken over the flower borders. We then met every few weeks for a couple of hours and planted perennials as well as summer flowering plants along the platforms and in the new flower barrels along each side of the track. At the end of last year the barrels were planted with spring bulbs and they are just starting to pop up now ready for a colourful show in a few weeks.

We have recently acquired a new notice board in the Manchester bound shelter, which has been provided by CrossCountry, so we are able to put up information about our own activities and those going on in Mobberley.

Also, if you have used the station recently you will have noticed that there has been an improvement to the safety at the edge of the track. There is a new yellow line down the length of each platform, and passengers are required to stay behind this while waiting for their train. Also, to help the blind and partially sighted new tactile paving flags have been laid on the platform edges.

There are lots of exciting things taking place this year, for example Cheshire Best Kept Stations Awards are taking place in March which some of us will be attending. Also, all the stations along the Mid Cheshire Line have been working on a collaboration and have recently submitted a proposal to the RHS for a Long Border at the Tatton Flower Show in July. We should have news of whether the proposal has been accepted sometime in March, but plants and seeds are already being nurtured in anticipation of a positive outcome.

If you would like to find out more about any of these initiatives, or feel you could spare an hour or two of your time once a month then please feel free to get in touch with me at the email address below. Or alternatively just come along to our **Spring tidy up session at 11am on Saturday 16th March.**

I look forward to seeing you on the platform soon.

Reception Class enjoyed finding out about Chinese New Year and made some amazing dragon puppets as it is the Year of the Dragon. The children had fun investigating which animal year they were born in.

The Reception class also loved learning about Shrove Tuesday and thoroughly enjoyed making and eating pancakes.

In Design Technology Year 1 have been designing and making 'Fabric Faces' and have been learning how to attach materials in different ways including sewing, taping, stapling and gluing.

Year 2 had a great time making campfire bread at Forest School. They mixed sugar, flour and milk to form a dough, which they then wrapped around a stick. They left their dough in the embers of the fire until it was cooked and then enjoyed their delicious bread! Year 2 have also been busy designing and making a moving vehicle in Design & Technology this half term. They enjoyed testing and evaluating their designs.

It was Children's Mental Health week and Mrs Bentzien led an assembly all about looking after our own mental health. The children found out about The Five Ways to Wellbeing and thought about the ways they can support their own physical and mental wellbeing.

On Tuesday 6th February, it was Safer Internet Day. The children learnt about e-safety and the different ways to stay safe online and be responsible and respectful when using technology.

There was a whole school E-Safety competition and children were asked to design their own computer game character as well as write a Top Tip for staying safe online. There were two winners from each class, who were awarded a prize and their designs have been displayed in school.

Year 4 and 5 have had 'Bikeability' this month, where they have learned vital skills of cycling safely on the roads. Year 5 and 6 also had an excellent road safety talk led by the Cheshire Fire Service.
